

# MALMET

## 260 LITRE BLANKET WARMING CABINETS

Malmet Blanket Warming cabinets are designed to reduce the risk of hypothermic reaction, post-operative discomfort and stress in patients. Blankets are gently heated to restore body temperature post surgery, and assist thermo-regulation. Blanket warming cabinets are recommended for Recovery, Maternity, General Ward, Specialist and Intensive Care Units.

- Stainless Steel Construction with insulation cavity, therefore the exterior is cool to touch
- Double glazed doors for inventory monitoring
- Magnetic door closure
- Over temperature protection (5°C above setting) and temperature lockout
- Fan-assisted convection heating
- Individual cabinets can be converted to any combination to suit your requirements
- Multi-purpose installation  
Options: Wall/Bench Mounted; Freestanding with Floor Skirt; Freestanding on Stand; Freestanding on Castors
- Optional castors (2 fixed, 2 swivel and lockable)
- Adjustable shelving (3 x wire shelves)
- ARTG Certification 289497 Class I
